**MEMORANDUM**

April 25, 1972

TO:

Richard S. Takasaki, Chancellor  
University of Hawaii - Manoa Campus

SUBJECT: Further Program & Curriculum Committee (PCC) Consideration  
of the Ethnic Studies Proposals.

As a follow-up to the various meetings over the weekend, the PCC met yesterday afternoon to consider the Peoples' Committee's reactions to its recommendations. A report on that meeting is attached for your information.

You will note that the PCC sees no reason for not moving ahead with further actions necessary for implementation of the program; even though, as I understand it, the entire curriculum has been referred back to the PCC for further consideration. However, the Committee will meet again soon - Thursday, I believe - and I hope the issues will be resolved quickly.

## MEMORANDUM

April 24, 1972

TO: Dean David E. Contois  
College of Arts and Sciences

SUBJECT: Report on Ethnic Studies

At Chancellor Takasaki's request, the Program and Curriculum Committee met informally for information purposes on Sunday, April 23, and received some reactions to its Report on Proposals for Ethnic Studies.

So as to keep you informed of the current status of its discussion, the Committee has asked me to inform you that it declines to modify that Report. However, the Committee is considering some supplementary materials for specific ES courses, and will make recommendations on those as soon as possible.

Meantime the Committee sees no reason for delaying whatever further actions are necessary to implement the Program if appropriate.

  
James Linn  
Associate Dean
